### LINDA PERRY IS BOWL QUEEN

The day belonged to the Wareham Viking team as they won a well deserved victory on the football field. The evening was a triumph for the Old Rochester girls who captured all of the titles in the contest based on appearance, personality and scholarship. Linda Perry of Marion was crowned queen and the cheers of the students at the Cranberry Bowl dance testified to the fact that she was a popular choice.

Before the decision, all of the candidates

## TOWN MEETING POSTPONED

The special town meeting in Mattapoisett originally scheduled for November 24th has been postponed. It will be held at a later date to be announced. The principle question will be the school. Some questions on the school have to be clarified and this is the cause of the postponement.

## VIKINGS TAKE BOWL

### 33 to 6 CRANBERRY BOWL WIN

The Wareham Vikings came to play football. The alert, well drilled team of Bill Maxwell ran with precision in the first period to score 19 points and ended the contest with 33 in their victory over the Old Rochester Bulldogs.

Henry Schea tore loose for 30 yards as the game opened to set up the first score. The Vikings moved from the O.R. 42 to the 5 in 3 plays. Old Rochester held with the help of a holding penalty and the Vikings' Les Morrison kicked a field goal to score 3.

Old Rochester was unable to move after the kick-off so they punted. The Vikings scored in seven plays. Schea scored on a sweep. Morrison added the point after. The Bulldogs were stalled on their 20-yard line and forced to punt when a high pass from center sailed over the kicker's head and into the end zone. Schea tackled Terry Mathieson, O.R. punter, after he picked up the ball in the end zone. The safety made the score 12 to 0. In the final minutes of the period, Austin ran for 28 yards to the Bulldog 27. Arthur Carey passed to Joe Canute for the touchdown. Morrison kicked the extra point and the quarter ended with the score 19 to 0.

In the Second period, Tim Rielly faded to pass and was rushed and tackled in the end zone by McGraw and Austin. The safety made the score 21 to 0.

The Bulldogs again received and quarterback Rielly's pass to Mike Lopes was picked off in a picture interception by Manny Andrews of the Vikings who raced wide open for the score from mid-field. The point after was missed and score was 27 to 0 at the half.

### LONG VIKING RUN

Douglas Mendes, Viking halfback, is caught by safety man Richard Mott of Old Rochester after a spectacular run in the Cranberry Bowl. Guy Mestieri (84) of Vikings and George Edwards (51) of Old Rochester are also in action.

### SURROUNDED BY ASSASSINS

Wayne Sylvia, halfback, carrying for Old Rochester, is shown breaking loose from a crowd in this Cranberry Bowl action.

In the third quarter, Austin ran through the center, second effort broke a tackle and he raced along the sideline for a 37-yard touchdown. The kick was missed and the score stood at 33 to 0.

In the fourth quarter, Tim Rielly, playing

for the first time in weeks since his injury, threw a 40-yard spiral to Richie Sylvia that was right on the button. This set up the only O. R. score. Danny Sullivan bucked over from the 4. The try for the conversion was passed from Rielly to DeCosta and failed. The final score was 33 to 6.

Wareham has now won six out of 8 Cranberry Bowl tilts.

Terry Mathieson, Bulldog end, was injured midway in the contest and was taken to the hospital in the ambulance. He was released and able to return to watch the latter part of the game.

#### BULLDOGS SCORE

The lone score for the Old Rochester team is bucked across the goal by Danny Sullivan who is at official's knee in this end zone view. The score was set up by a beautiful

Veterans' Day parade held in Mattapoisett on November 11th. A large crowd was on hand to watch the patriotic displays march by. New Bedford High School's GAMS were named best in the parade. The huge Old Rochester Bulldog float won a trophy as the most original float. It was made by the O. R. sophomore class. Marion's VFW float was awarded a grand prize for the liberty float featuring the Statue of Liberty.

People who thought they were seeing double will be relieved to know that the drummer in the kiltie band and the drummer in the Old Rochester band, marching in the same parade, were both the same Mike King. Mike led off the parade dressed in kilts, dropped out and did a quick change, and wound up in the Old Rochester band which was later in the parade route.

Other awards were as follows: ORR band, second, and Wareham band, third, marching; junior marching unit, Wareham Boy Scouts, first; Wareham Cub Scouts, second; and Marion Girl Scouts, third; color guards, Marion VFW, first; 10th District Council of the American Legion, second; and Onset VFW, third; civil floats, ORR, first; Marion Girl Scouts, second; and Mattapoisett Fire Department's antique fire pumper, third; patriotic floats, Marion VFW, first; Marion Cub Scouts, second; and Plymouth County 40-8 locomotive, third; commercial

## O.R. Drama Friday

COME TO "THE CRUCIBLE"

"The Crucible" by Arthur Miller is an extraordinarily exciting play. Deeply thought provoking, it sparks soul searching, particularly for local residents, because this story, based on actual historic events, hap-

pened virtually in our back yard. It is set in Salem in 1692, and describes the incredible, true tale of a town gone mad with gossip and rumor. It is the story of simple, sober, hard working, deeply religious Christians, who suddenly turn upon each other in a frenzy of fabrication, accusation, insinuation. Self-righteous screams of "Witch!" rent the peaceful, puritan air, and the gallows swing with innocent bodies, tried, sentenced and condemned by innuendo

The Senior Drama Club of Old Rochester is presenting a two-act adaptation of "The Crucible" this Friday evening, November 21st, at 8:00 P.M. in the high school auditorium. This enthusiastic and talented group of young Thespians is offering to local theatre-goers, an evening of stunning drama.

Cast in major roles are: Naomi Arenberg as Abigail Williams, a wanton, wildly imaginative teenage orphan, who is the catalyst that accelerates the awful situation; Richard Helfand as the proudly pious Reverend Samuel Parris, Abigail's uncle; James Lawrence as John Proctor, an honest, humble farmer, who unwittingly becomes the dupe of Abigail's wicked wiles; David Sullivan as the Reverend John Hale, a sophisticated student of the super-natural, summoned to the town for his expert analysis, who alone and agonized, chillingly realizes the utter, unjust horror of the grotesque witch-trials.

## W. Lawrence Honored

### ROCHESTER YOUTH AWARDED PURPLE HEART

Sergeant Wayne B. Lawrence, son of Mr. and Mrs. Nathan Lawrence of Neck Road, Rochester, and husband of Rebecca Day Lawrence, distinguished himself in Viet Nam and was awarded a purple heart, two oak leaf clusters with commendations and an air medal for meritorious achievement during his year's service in Viet Nam.

Sgt. Lawrence is on a 30-day furlough and at the conclusion of his leave will report to Fort Riley, Kansas.

For heroism in connection with military forces operations against hostile forces on December 17, 1968 in the Republic of Viet Nam, Pvt. Lawrence maneuvered this vicious hostile fire with complete disregard for his own welfare. He received an army commendation with "V" device for his heroism.

He was awarded a commendation medal, first oak leaf cluster with "V" device because on May 3, 1969 when his squad leader was mortally wounded he assumed command of his squad and deployed his men into strategic positions. Sgt. Lawrence

was also awarded a second oak leaf cluster for exceptionally meritorious service he performed between October 1968 to October 1969. The commendation states he astutely surmounted extremely adverse conditions and obtained superior results.

On May 22, 1969 he was wounded in connection with military operations against a hostile force for which he received a purple heart. Sgt. Lawrence also received an air medal for meritorious achievement while participating in aerial flight between November 29, 1968 to April 1969 in supporting combat ground forces.

### WOMAN'S CLUB GUEST NIGHT

Mr. Benjamin Harrison will be the speaker at the annual guest night of the Mattapoisett Woman's Club on Thursday, November 20th, at 8 P.M. at Old Hammondtown School. Mr. Harrison is a retired marine traffic controller who worked for many years on the Cape Cod Canal, during which time, as a representative of the U. S. Corps of Engineers, he gave lectures and showed slides of the canal from its beginning to the present day. After his retirement, Mr. Harri-

son continued his lecturing and has appeared before a number of groups in this area. The informal discussion period at the close of his program gives Mr. Harrison an opportunity to tell a number of amusing and in-

#### WATER COMMISSIONERS ATTEND MEETING

Mattapoisett Water Commissioners Ralph Wordell, Roscoe Barstow and Winfield Jenney, together with Water Superintendent Charles Morgan, attended a meeting in Middleboro on Monday, November 10th, which had been arranged by Congressman Hastings Keith for the purpose of discussing Federal Aid to water and sewerage projects.

Mr. William J. Davis, assistant regional administrator of the House Urban Developments Office in New York, explained specific procedures and criteria for processing and approving grant applications. It was divulged that shortage of funds resulted in disapproval of twenty-seven applications for every one approved in the past, which explains why Mattapoisett Water Department applications for grants for needed capital improvements have been twice rejected.

## Junior Grange

Mattapoisett Junior Grange held its meeting last Friday night, November 14th. The worthy patron, Robert Ouellette, presented a check to the Junior Grange he received at the State Grange from the State Conservation Committee for the work done by Robert Linhares and his committee. The Juniors also received a merit award certificate for 10 years of good work.

During the busy business meeting, it was voted to confer with Mrs. Renahan in regards to having a Junior Grange bowling team. James Livsey is chairman. Plans were made to have a traveling food sale Sunday afternoon, November 23rd, starting at 1 P.M. Junior members are also asked to bring in articles suitable to fill a Thanksgiving basket to be given a worthy family. Food and items for the sale will be taken to the Grange Hall at 1 P.M. Katherine and Ray Buckley and Stanley Ennis are in charge. Stanley suggested a group project of snow shoveling for his ways and means committee.

James Livsey and Katherine Buckley are in charge of forming a football team for the Juniors' entertainment.

The program of Thanksgiving numbers was presented by lecturer, followed by a gay

Chairmen of the bake sale are Mrs. Patricia MacLean and Mrs. Barbara Sawyer.

## Y. W. C. A. Events

More 5th and 6th grade girls are needed in the Sunshine Club that meets on Mondays at 3:45 to 5:00 P.M. New hobbies are developed and the program includes arts and crafts, swimming, sports, and recreation. "Baking and eating" is enjoyed also.

Mrs. Beatrice Whalen, pool director, announces that 2800 people used the "Y" pool last month. There is room in the swim classes for new members. The public is welcome to watch the competitive classes on Mondays and Wednesdays from 5 to 6 P.M. and on Tuesdays and Thursdays from 6 to 7.

YWCA needs teachers for classes of crafts and hobbies. Needlecraft and flower beading instructors especially are in demand as requests have been received for these skills. Mrs. Rita Grenon, director of adult program, will be pleased to talk with anyone interested in the possibility of assisting in these classes.

Mrs. Jean Bancroft will instruct a class in Graphology beginning in January. Those interested should contact the "Y". This science is becoming increasingly useful in understanding one's self and others.

Adult ski enthusiasts' attention is called to the newly organized Adult Skier's Workshop that meets on the first Thursday and third Tuesday of the month. A business meeting in the dining room at 7:30 P.M. is followed by a physical fitness program; also, volleyball and sometimes a swim.

There is ski orientation through films, speakers, ski shows, ski weekends, day trips and other events. Club adviser is Mrs. Irene Perreira, assisted by Miss Nor-

## 1 in 50 Drivers Drunk!

This is the day of the expert. People today seem oriented to believe that there is an expert or specialist who can solve any and all their problems. If only this were true! Unfortunately it is not! However, so many do believe it that they are literally stymied when a problem arises that just hasn't a quick, simple or single solution. Where then do they go? Eventually, a responsible person realizes that he must resort to himself and usually finds that the answers were there all the time.

Take the current problem ... drunk driving. To begin with, anyone who drinks heavily and then drives must be considered dangerous. This operator is a killer just as surely as a man who sets off with a shotgun in quest of a victim. However, when one's

ber and severity of automobile accidents will be record-shattering this year.

At this very moment, one of every 50 drivers on the road is drunk. Think about it! Not drinking. Drunk! Alcohol is involved in at least half of all fatal auto smashups. Recent studies show that in the case of single-car, run-off-the-highway crashes, about 70% show heavy drink-

ing involved. In cases of adult pedestrians killed in traffic, statistics reveal that one of every three car operators causing a fatality had been drinking heavily.

When one drinks, the alcohol is absorbed directly into the blood vessels of the stomach and intestines. Unlike most foods, it does not have to be digested before the body can use it. The circulating blood carries alcohol to all body tissues, then to the brain where it intoxicates. The brain's ability to work is disturbed only with large amounts ... the more alcohol, the stronger the effect. The brain is steadily put to sleep, going from the higher to the lower centers of activity. First affected is judgment, inhibition and memory, then loss of coordination with slurred speech, hearing and visual difficulties. Finally stumbling and falling occurs and eventually the onset of coma.

In Massachusetts, a person with 0.15% alcohol content or greater in his blood is presumed intoxicated. With a percentage of 0.05% or less, one is presumed not to be intoxicated. If the percentage is more than 0.05% but less than 0.15%, there is no presumption either way. In general, it has been found that a moderate drinker of average weight (150 lbs.), rapidly consuming 90-proof whiskey on an empty stomach will probably reach a 0.05% blood alcohol level if he has two drinks. Four drinks or six ounces will raise his blood-alcohol level to approximately 0.10%. If he consumes eight drinks or twelve ounces,

the blood-alcohol will jump to 0.20%. According to authorities, a person of average weight can ordinarily drink at the rate of about one ounce of 90-proof liquor an hour without becoming intoxicated.

In this State a new "implied consent" law provides for the mandatory chemical testing of an operator arrested for driving under the influence. The reason for this is to determine the amount of alcohol present in the bloodstream. Persons who refuse the test suffer loss of license. A sample of breath is collected and passed through a chemical solution. The instrument measures the amount of alcohol in the body. This is known as the Breathalyzer test, and if an operator refuses to take it, a report is made to the Registry which results in a mandatory suspension of license for 90 days. This action is separate from a court finding. It should be noted that the 90-day suspension holds even if the court finds "not guilty". When an operator is found "guilty" in court,

whether tested by the Breathalyzer or not, his license is revoked immediately.

The answer to the drunk driver problem is not a simple one. The "don't drive after drinking" routine doesn't work! There are always those who will drive after drinking and not consider themselves drunk. Only after they have an accident do they learn that the privilege of driving carries a serious obligation. And unfortunately, some never learn.

If you drink and drive, know what the safe limits are for you. An interesting chart concerning drinking and approximate blood-alcohol levels may be obtained by writing to the Division of Alcoholism, 755 Boylston Street, Boston.

## A THANK YOU

I wish to thank everyone for the many cards and flowers I received when I was a patient at Tobey Hospital.
